

Sponsorship Opportunities

Professional Development Seminars

MISF Lunch & Learn seminars are opportunities for K-12 independent school leaders, educators and staff to connect and engage in professional development and idea sharing to help schools enhance the offerings they provide to students and families.

Admissions, marketing, development, technology and STEM staff are exposed to practical, hands-on tools presented by experts from local and national organizations who share valuable information about current trends and relevant topics. Held from 11:30 AM to 1:30 PM at various independent schools throughout Minnesota, these seminars are also provided via webinar. **Sponsorship benefits are available at an affordable investment of \$500.**
