

LETTER OF INTEREST COVER PAGE

\* 1. What type of grant are you applying for?

- Starter Grant
- Innovation Grant
- Sustainability Grant

\* 2. ORGANIZATIONAL INFORMATION

School name:

School street address:

School city, state, zip  
code:

School website:

School Head name:

School Head email  
address:

School phone number:

3. Is this proposal for a collaborative INNOVATION GRANT project between two or more schools?

If you answered yes, please enter the SCHOOL NAME, SCHOOL HEAD NAME, and SCHOOL HEAD EMAIL ADDRESS for the schools you plan to collaborate with.

\* 4. LEAD TEACHER INFORMATION. The lead teacher will be the primary contact person with MISF during the application process and if your school is awarded a grant. The lead teacher is expected to oversee the meeting of all grant award expectations and communication with the project team. Please note that you will have the option to include information about the teacher team for your project on the final grant application (a team of two or more teachers is required for Innovation Grant proposals).

Teacher name:

Teacher email:

Teacher phone:

Grade(s)/subject(s)  
taught:

2018-19 STEM Grant Letter of Interest

PROJECT DESCRIPTION

**\* 5. PROJECT INFORMATION**

Project working title:

Grade level(s):

Number of students  
anticipated to be directly  
impacted by this project:

Total grant amount  
anticipated to be  
requested:

**\* 6.** Please provide an overview of the project under development. For example, you may want to include a general picture of what students will do and learn, why this project is important to your school, how it fits in your curriculum, and other relevant information. If you plan to apply for an Innovation grant, please include any anticipated community partnerships that will be part of this project. [Please limit your response to 500 words maximum]

**\* 7.** Explain in general terms how you plan to use STEM Grant funds. You do not need to include a detailed budget at this time.
