

ChangeMaker Mindsets™

Embrace Exploration

How can I cultivate a curious inquiry-based approach to seeing and understanding the world?

The journey toward exploratory and deep learning is valuable because it moves a person from the zone of predictability to the zone of possibility.

Lead with Empathy

How can I listen well with a heart of understanding for others and their feelings?

Empathy is foundational to creating solutions and opportunities that effectively meet the needs of individuals and organizations.

Pivot with Perseverance

How can I embrace the challenge and opportunity life brings?

The power of pivoting while using perseverance allows words, actions, thoughts, and attitudes to work together for good.

Create a Win/Win Solution

How can I seek to understand situations so that a mutually beneficial solution can be developed?

The win/win frame of mind and heart constantly seeks cooperation and reciprocity for all human interactions.

Grow Through Failure

How can I reframe failure as a tool for learning and growing?

In life, a person often learns the most from taking risks. Celebrating resilience, learning, and growth is an important part of authentic leadership.

Collaborate and Connect

How can I share what I have learned in the most meaningful way? Who can I share with?

Every person can be a ChangeMaker in this world if ideation is shared with others for greatest impact.
